Eat: 5th Quarter at Vagabond Hotel

With several culinary tricks up his sleeves, Chef Drew Nocente's specialty menu has a strong emphasis on meat curing.

The latest addition to *Loh Lik Peng's* Unlisted Collection, 5th Quarter is a contemporary grill restaurant with a strong focus on meat-curing. Housed within the Vagabond Salon of the soon-to-be launched Hôtel Vagabond, it serves up a luscious array of house-cured charcuterie and grill favourites.
