THE ESQUIRE LUNCHEON 2016

Esquire Singapore turns three and as part of the celebrations, we invited a handful of our most ardent friends for lunch at 5th Quarter, Hotel Vagabond. We pulled up our business socks for this one and shared how Esquire will be paving the way with powerful editorial and innovative products this year. The wine from WWC Concepts did help the credibility along. But most importantly, we had a great time with some fine friends. Here's to a wonderful 2016.

1. Mongoose Publishing CEO, Graham Palling, with guests. 2. The specially curated menu at 5th Quarter, Hotel Vagabond. 3. Our Editor-in-Chief, Zul Andra, presenting Esquire's direction for the coming year; in front row: Lene Liew and Emilia Cho from Burberry. 4. Head Writer Wayne Cheong and Sarah Leyw from MIDO. 5. Natalie Lai from Tod's with Esquire's Fashion Director, Janie Cai. 6. Mongoose Publishing Director of Business Development, Patrick Brennan and guest. 7.
